RESCINDED --Fiscal Year (FY) 2003 Reporting Requirements for
Seamless Summer Feeding Waivers

To:

STATE AGENCY DIRECTORS - Colorado ED, Iowa, Kansas, Missouri DH,
(Special Nutrition Programs) Missouri ED, Montana OPI, Nebraska,
North Dakota, South Dakota, Utah and Wyoming

We are rescinding the guidance that transmitted under SFSP-474/SP 03-11, dated March 5, 2003 under this subject. For FY 2003, State Agencies (SA) are asked only to report seamless meal data on the FNS-10 in order to be reimbursed at the free rate for each seamless meal. To do so, SAs must report seamless meals by type under the free category for each type of meal (i.e., the seamless meals by type are included with the other National School Lunch Program meals by type under the free categories). This is explained in more detail below:

- Report lunches and suppers served under the waiver on lines 5a (and on line 5b, if applicable) of the FNS-10.
- Report snacks served under the waiver on line 5c only (do not include them in the subtotal for Area Eligible Snacks on line 5d).
- Include breakfasts served under the waiver on line 6 and on line 7, if applicable.

Please note that we will make conforming revisions to other recently issued guidance to reflect these reduced reporting requirements. This will include revisions to the seamless waiver prototype, transmitted under SFSP-472/SP 03-09, and the question and answer memorandum, SFSP-469/SP 03-08.
